Hendersonville, TN (April 9, 2014): Risk Solutions Captive, Inc. (RSC) is pleased to announce it's first quarter results. To date, 9 groups from 3 states, 1,650 lives, have joined the captive with a current premium of \$6,900,000.

Risk Solutions Captive offers a new way to provide quality healthcare coverage for employees at an affordable rate. By teaming with Health Cost Solutions and a highly rated reinsurance carrier, RSC provides quality plans with limited exposure from the insured's perspective. These partnerships have allowed our groups to see an increased level of cost savings within their companies.

*"Finally, a solution for employers our size that allows our company to take advantage of Self-Funding in a Captive arrangement. We could not afford to self-fund our benefits until the captive solution was introduced. The set-up was very easy for the company and our employees."
—Religious Group, Tennessee (58 Employees)*

Outreach efforts for the quarter have included attendance at local and regional conferences, as well as meetings with brokers/agents across the United States. The RSC team will be available to answer questions at many events across the Southeast for 2014.
